Academic Support Services

Tufts College Experience Office Hours
We (Joe and Karen) know this transition might be difficult and you might have questions about your classes or your program that you don’t feel comfortable talking to your professor about. We are here for you! And we’d love to meet each of you and get to know you. We’ll be coming to your roundtables on Tuesdays and Wednesdays!

- Tuesdays 12pm – 1pm  Dewick MacPhie
- Wednesdays 12pm – 1pm  Dewick MacPhie

Note: we are both gone the week of July 9 – 13th

Professor Office Hours
Professors will offer office hours throughout the course and strongly encourage you to attend. They aren’t scary and they love to interact with students! Check your syllabus for information or, if it’s not listed, just email your professor or check-in after class.

Academic Resource Center
The Academic Resource Center offers two different ways to help students in TCE:

1. Tutoring: contact ARCTutoring@tufts.edu to set-up an appointment with a tutor if you are in one of these courses:
   - BIO-0010  Plants & Humanity
   - MATH-0030  Introduction to Calculus
   - MATH-0032  Calculus I
   - PHY-0001  Introductory Physics I
   - PHY-0002  Introductory Physics II

2. Writing Consultations: contact ARCWriting@tufts.edu to set-up an appointment with a graduate student to get advice on writing papers for Tufts courses. This can be help in structuring a paper, building a paragraph, feedback on writing, help with citations and more!

The ARC is located at 720 Dowling Hall or by phone at 617-627-4345. It is open Monday through Friday from 9am-5pm. Note: although the Center might be closed, tutors and consultants offer appointments outside of these hours at various locations around campus.

Library
The library is your best resource for any questions related to reading, research guides and questions, citation guides, access to research journals and publications and more! Our wonderful librarians are ready and waiting to help you. Check out the library website as your first point of access:
